

# How America's Immigrants Will Integrate by **2030**

Fears that immigrants are not integrating into American society have fueled crackdowns across the country. But a new Center for American Progress study tells a different story.

Please join New America Media and CAP in a national telebriefing on trends in English proficiency, home-ownership, education, income and naturalization -- and the future of U.S. immigrants.

## When:

Tuesday, Nov. 22, 2011  
10:00 am PST / 1:00 pm EST

Call-In Number: (877) 210-8943

## Speakers:

Dowell Myers, Director, Population Dynamics Research Group, USC  
Vanessa Cardenas, Director, Progress 2050, Center for American Progress

Moderated by Irma Herrera, New America Media

## RSVP:

Suzanne Manneh, New America Media
